

TECHNICAL Finishing School Program

3 Month Industry Standard Program On AI,ML & DL

Let's Ride
the
AI Wave!

EMBEDDED & IOT

DES/AES/Hashing/Block
chaining Techniques and Challenges

Learn & **Implement**
Cryptographic Techniques

Dive into Cortex M Controller
Cores

Cloud Solutions and Application,
Real Time application of IoT

AI, ML & DL

Build and deploy AI/ML and DL
Applications on NVIDIA GPU Hardware

Learn from the Subject Matter
Experts and get a firsthand experience

Reinforce learning by applying
theoretical Concepts on Real Time Projects

Obtain an **Advanced Certification**
from Digital Shark ML lab and stay ahead of
the crowd

POWERED BY

NVIDIA

**TEXAS
INSTRUMENTS**
